In the selection of county officers, too often do the people fail to do their duty in the selection of the proper men for what they consider the minor offices, or in other words, those offices which are regarded of no importance whatever, which are in reality the most beneficial for the general improvement of the county—that of Magistrate. In this county especially do we need as magistrates, sober, upright, energetic and enterprising men, men who will look to the interest of the county, because from the Fiscal court must come our support, to make certain advancements which are necessary to place our county where it ought to be, can be and must be placed. If there is ever any decided improvement made in our roads, which are the greatest drawback to commercial enterprise, growth and prosperity, of anything that confronts our people, upon the Fiscal court rests the burden, and if we elect a man or set of men to take charge of our county officers, whose highest ambition is to get a jug of whisky and rush behind a lumber pile to divide it, how can you good people expect your county to grow and prosper, and how can you vote for such men? Ponder well the great questions, which confront you and when you go to the polls in next November, cast your vote for that man, who will do most good for the county and its people, "and all will be well."

The election of Granville Owens, of Brodhead, as chairman of the Rockcastle Democratic County Committee, was a step taken, of which we are more than proud. We know of no better man, nor no better democrat in the county than he, and with such men at the helm, we may expect most satisfactory results. A worthy successor is he to our late chairman, R. L. Brown.

The prompt arrest and conviction of Hiram Fanning in the circuit court on the charge of shooting into a passenger coach filled with passengers should be a warning to all young men to stay sober and leave their pistols at home. It also indicates very conclusively that the railroad company will not only protect its passengers from harm but will prosecute those who injure or attempt to injure either passenger or employee.

## ADDITIONAL LOCALS.

The debating society meets in the College Chapel every Friday night.

Candidates are now in the field and the fight for the County Judge's place and Sheriff's office is on. The Democrat County Committee met yesterday and nominated for judge W. H. Owens, of Brodhead, and for sheriff, A. W. Stewart, of Wildie, also John H. Coffey, of Langford, for constable. Search the county over and you can not find three better men than these.

CONVENTION.—The Democrats of Rockcastle, met in Mass convention last Saturday, for the purpose of nominating candidates for the various county offices. S. F. Brown was elected temporary chairman and E. S. Albright secretary. About one hour was spent, making no progress at all except to nominate a candidate for Magistrate in the First district, T. J. Hayes, of Wildie, having received the nomination for that place. The convention, then referred the nominations of other candidates to the county committee, which met yesterday afternoon, and a report of which will be found in another column.

## STOPS PAIN

Athens, Tenn., Jan. 27, 1901.  
Ever since the first appearance of my disease I have been in great pain in my hips, back, stomach and legs, with terrible bearing down pains in the abdomen. During the past month I have been taking Wine of Cardui and the result is that I am now free from all the above mentioned pains. I passed the monthly period without pain for the first time in years.  
NANNIE DAVIS.

What is life worth to a woman suffering like Nannie Davis suffered? Yet there are women in thousands of homes to-day who are bearing these terrible menstrual pains in silence. If you are one of these we want to say that this same

will bring you permanent relief. Consult yourself with the knowledge that 1,000,000 women have been completely cured by Wine of Cardui. These women suffered from leucorrhoea, irregular menses, headache, backache, and bearing down pains. Wine of Cardui will stop all these aches and pains for you. Purchase a \$1.00 bottle of Wine of Cardui to-day and take it in the privacy of your home.

Red-handed, deliberate murder, no excuse, no defense, no minister, no sorrow, no repentance, no Heaven! These are awful realities to contemplate, but seemingly inevitable now. It is Czolgoz's way, his will be done.—Owensboro Messenger.

Latest details of the disaster to Company C. of the Ninth Infantry, in the Island of Samar, indicate that the Americans were surrounded while at breakfast by 4000 holomen. About 150 of the latter were killed. Three American officers were among those slain by the natives.

Take the SIGNAL and get all the news, all the time, from all over county and State.

## A Cough

"I have made a most thorough trial of Ayer's Cherry Pectoral and am prepared to say that for all diseases of the lungs it never disappears."

J. Early Finley, Ironton, O.

Ayer's Cherry Pectoral won't cure rheumatism; we never said it would. It won't cure dyspepsia; we never claimed it. But it will cure coughs and colds of all kinds. We first said this sixty years ago; we've been saying it ever since.

Three sizes: 25c., 50c., \$1. All druggists. Consult your doctor. If he says take it, then do as he says. If he tells you not to take it, then don't take it. He knows. Leave it with him. We are willing.

## Consumption

is, by no means, the dreadful disease it is thought to be in the beginning.

It can always be stopped in the beginning. The trouble is: you don't know you've got it; you don't believe it; you won't believe it—till you are forced to. Then it is dangerous.

Don't be afraid; but attend to it quick—you can do it yourself and at home.

Take Scott's Emulsion of Cod Liver Oil, and live carefully every way.

This is sound doctrine, whatever you may think or be told; and, if heeded, will save life.

If you have not tried it, send for free sample, its agreeable taste will surprise you.
